Our numbers were down for the fund-raising curry night last week but all who attended had a lovely evening. The purpose of the evening was to raise funds for our sponsored student in Vietnam.

Jason and his team prepared an excellent meal. Curries, rice yoghurt dishes, the lot. Robin Huygens added some sauces and breads which were greatly appreciated.

The *Armadale* donated \$115 from the meal proceeds towards the student fund. Thanks Jason!

The guests for the evening included:

Margaret Ridgeway
Robin Huygens
Shirley Morrissy
Lyn Chilcott
and Naomi Sakai, a Japanese student staying with the Chilcotts.

Ron Gregory energetically sold raffle tickets to us all and then one first prize which was a meal voucher for \$40 redeemable at the *Gippsland Palace*. Hugo Huygens won second prize which was a \$20 voucher. Ron raised \$115 with this exercise. Congratulations Ron.

Sergeant Shane also performed well raising \$38 from the reduced numbers present.

Des Phillips led the assembled accompany in a 20 question trivia session. He admitted to only one answer before we began (Yeh, right Des!)

We were asked the following questions:

- How many calories in a glass of water (zero)
- What body of water does the Euphrates River run into? (Persian Gulf)
- Which Australian writer wrote "The Fortunes of Richard Mahoney?" (Henry Handel Richardson)
- What Australian married Liza Minelli? (Peter Allen)
- Who invented the automobile in 1885? (Benz)
- Who won the last Wimbledon men's single title before it became an open championship? (John Newcombe)
- What is the capital of Morocco? (Rabat)
- What flower was named from the Latin word for sword? (Gladiolus)
- What does a gynophobic man fear? (women)

- What singing group was once known as *The Quarrymen*? (The Beatles)
- Who was Australia's flogging parson? (Samuel Marsden)
- Who was the only living artist to have his work displayed in the Grand Gallery of the Louvre? (Picasso)
- What part of Britain was occupied by the Germans in WWII? (Channel Islands)
- What are the colours of the five Olympic rings? green, red, blue, yellow, black)
- What colour does the bride wear in China? (Red)

- Who was the only Prime Minister born in Tasmania? (Lyons)
- What is the pure distilled spirit from wine? (Brandy)

WOULD YOU LIKE A CLUB T-SHIRT? A LIST WILL BE CIRCULATED AT THE NEXT MEETING.

Three tables contested the competition and table 3 won with 16.5 points (the Morrissys, the Huygens, Brendan Walker and Michael Page). Congratulations!!

Shane Chilcott conducted an auction at the end of the meeting of a lovely display containing blackberry jam, ginger fluff, and sponge cake and red wine. The presentation was put together by **Shirley Morrissy** (many thanks Shirley). Margaret Ridgeway was successful with a bid for \$56.

A great evening was had by all. We look forward to the next similar occasion.

Personal

We were sorry to hear last week that Athol Jones' mother died. Our

thoughts are with Athol, Elva and family.

Leo Morrissy and Di Rowarth are off to Mozambique for the wedding of Andrew Law in Barra on 8 May. Andrew was the club's GSE student in 1991. Andrew is marrying a doctor. He is a lawyer himself. We wish them all well.

I forgot to mention that Peter Kluge is also in Nepal walking up to the Everest base camp.

Arthur and Yvonne McPherson are grandparents for the third time!!

Exchange Student

Our student is coming from Finland. She will arrive in the middle of the year.

Here are some of her details:

Name: Henna VERTANEN
Place of Residence: Lieto, Finland
Date of Birth: 27/6/1987
Languages: English, German and Swedish

Some information about that Finland:

Finland was a province and then a grand duchy under Sweden from the 12th to the 19th centuries and an autonomous grand duchy of Russia after 1809. It finally won its complete independence in 1917. During World War II, it was able to successfully defend its freedom and resist invasions by the Soviet Union - albeit with some loss of territory. In the

subsequent half century, the Finns made a remarkable transformation from a farm/forest economy to a diversified modern industrial economy; per capita income is now on par with Western Europe. As a member of the European Union, Finland was the only Nordic state to join the euro system at its initiation in January 1999.
