Last Meeting

By The Editor

Last meeting we welcomed President Les back from Kathmandu.

John Mowatt gave us a run down on himself in the behind-the-badge talk.

He was one of 5 children growing up in Tarraville with 250 cows. He went to Yarram High School. Went overseas. Worked in hospitality with a hotel group in London. He managed to get lost while driving some guests to Heathrow. A Travel Agent in Leongatha then poached him. He worked in travel in Melbourne then at the Melbourne Hilton and since then has been in travel work for 17 years. He has washed a few dishes in his time!!!

The program for the evening was a club meeting where the various committees met together to discuss matters relating to their areas of interest.

President Les opened the matter with a few issues:

- ❖ Accommodation is needed for the Youth exchange student coming on 27 June particularly in the initial period.
- ❖ Eisteddfod – we have the opportunity to sell tickets for two concerts on 30 May and 25 June and receive a financial return for doing so.
- ❖ We have been approached by the Sale Public Cemetery to see whether we are interested in building a Gazebo. This could be our Rotary Centenary project. The Community Service Committee endorsed this later in the meeting.

It was also raised earlier in the meeting that we should support the Hospital's \$2M fundraising appeal.

In the committee report back the following points were made:

- ❖ Arrangements are in hand for the club changeover. Trevor W will organise the venue. Brian N will prepare the program.
- ❖ Applications had been received for attendance at the Science Summer School in January. Trevor Watt, Arthur Macpherson, John Mowatt and Rob McKimm will interview the persons concerned.

Council wants to hand over the running of the market to a community group or private enterprise.

Paul also mentioned two events which were coming up: Model Jet Aircraft over the weekend of 29-30 May and a Balloon Festival over the weekend of 5-6 June.
