## Last Meeting

### **Behind the Badge-Viv Braham**

Vic originates from the Corryong area.

He took awhile to get settled in to his Legal career having received some “black marks” in his early school days.

He firstly wished to enter Veterinary science with Agricultural science as his 2<sup>nd</sup> choice. Instead he took up “jack a rooing” in Southern NSW for a few months.

He later worked for his father as a clerk then re-applied to enter Melbourne Univ in law in 1971.

Viv is avid reader and film goer. He loves running and devotes time to bike riding and the odd shot of golf.

### **Guest speaker- Jenny O’Neil**

By scribe Doug Dyer

Jenny has been in Sale for 3.5 years and her interests in reclaiming the banks of the flooding creek came from her mother. Jenny’s group has 40 paid up members of whom 20 are active.

The area they are interested in starts at the back of the Sale Cemetery, twists through Desailly Flats, flows around the college oval, then behind the Tourist centre, to join the Sale canal.

It starts again at the back of Dyers Transport, next to Lake Guthridge around the back of the Powder magazine, then joins the Latrobe River down stream from the Swing Bridge.

Most of Jenny’s environmental problems are dumped rubbish, blackberries, willows and rabbits.

The group has good support from the senior schools, scout association and some help from the Wellington Shire.

In the last 2 years they have planted 6000 trees.

Two students have been selected to go to the NYSF(?). They are Chris Monash and Aneesah a Sarkas.

The meeting closed early as it was in the capable hands of President John and Chairman Peter Kluge.

### **Rotary News items (briefs)**

#### **There is talk....**

Of a murder mystery night at the Rossetti Chapel (in the Moonlight.)

The person who might run this could be Daren McCubbin.

#### **Speaking of Darren McCubbin**

He might make a good speaker (at least we do not have to use a public address system!)

I am sure he has a good tale to tell with his association with the shire and also to listen

about his business interests. Eg Town Crier competitions, teaching, “Stratford on Avon”, murder nights etc..

**Do not underestimate** the power of the Web! Many clubs have reports of new member enquiries from the Rotary web site at [WWW.rotary.org](http://WWW.rotary.org) (repeated)

The **Rotary tee-shirts** are still available for \$30
