Last meeting

Our guest for the night was Peter Edwards (a Paul Harris Fellowship scholar) who was introduced by Les Jackson.

Our guest speaker was Laurie Smith who talked about his passion of **Gippsland Postal history**. A report is next week sorry , ED.

1. Des Phillips reports

Ride to Conference update-I spoke to Keith Miller of the Sale Club re billeting and I got no response. I do not care if you have only a mattress on the lounge floor, please put your name down, then I will not be a very worried man.

Des Philips again....All you have to do is give them a bed for Sunday night. Take them to Littles bus depot on Monday morning.

Des Phillips (simpler version for the ED)

The bikies are expected at Littles Bus depot at 5:00. They store their bikes, they are bussed to Gippsland Grammar.

They will have showers, they will have a BBQ at the SENIOR school, and the billets are welcome to the BBQ.

After the BBQ they are taken by the billets or by hand to home for the night, Sunday the 6th of February.

They are woken up at precisely 6:am, Monday morning, they are given a light breakfast, and then transported to Little's bus depot, where they pick up their bkes and wind on their merry way on to Shepparton.

2. Secretary Brian Norris reports

I have a copy of the "Rotary Manual" from Chicago for members to view. This document will tell us how to be a good Rotarian and how to be a good Rotary Club. I have received information of the shorter shelter box that we have donated to the Tsunami appeal. We hope to show the CD to the club one night in the future. Do not forget the attendance list that I sent around last week for the Centennial Dinner at \$32 a head. We have 25 coming from Sale Central so far... We have moved the meeting from the 22 February to the 23rd of February. Last week I sent around the detailed membership list for members to check.

3. Michael Page reports

Our Henna has been staying with the McKimm's in Merimbula for a couple of weeks. I now will pass over to Rob McKimm to give us an update on Henna. Henna "reluctantly " left Des's place to spend 2 weeks in sunny NSW. Henna spent a week staying with us where we hoped she would learn to water ski, which is something they do not do in Finland For the 2nd week of our holiday Henna went to Narooma. Henna met up with the family whose daughter stayed with the ? sorry ed! As soon as Henna and Miriam saw each other it was big hugs, and blah blah Blah.... Of which we could not understand. Henna is working her way back via Canberra, back to Sale where she will be ready to return to school.

Michael Page again.

I wish to thank Leo and Kerrie on tracking down and organising our RYLA nomination that we have now sent of with the money. The nomination is Stacey Kneebone, who is works for Kilmany Family Care as a youth worker specialising in youth housing. As well I would lie to organise a permanent committee for Go Youth, if members would see me about this.

4. Les Jackson reports

Mary and I are riding in the Ride to Conference and we need sponsorship. We think that if we can get enough to buy one shelter box between us which would be great. I have 2 sheets to be passed around for your consideration.

Please take seriously what Les has said about the 50 riders who need beds.

Les Jackson again. The Sale Club meeting is at Relish that I attended and that I believe is a very unsuitable venue. It is OK for 20 people, if you got 30 people, they would be split in 2 separate areas. The food is good, it was \$20, but I think that we have made a better choice.

5. Val Braham reports

Rotary House project: Some of our members supplied funding for this project . The arrangement is 5 or 6 % interest is to be paid on the funds received. I would like those members to speak to me privately so they do not feel under any pressure, to indicate to me if they would consider to for-go their interest owed? If they do it would all swell the funds raised for this project and lessen their tax liability. All this information is confidential.

6. Trevor Watt reports

Fees of \$175 are now DUE for membership subscription 1st January to 31st July. Please remit the funds to the club by no later than 31st January. If you pay by the said date the fee is only **\$140!!!**

I wish to outline our current financial state:

Civic and Charity \$ 9539, General \$3195, Go Youth \$ 9688, Vanuatu \$4347, Special Projects \$ 1559, Wheel chair \$1431, Welcome Stranger ball \$311. We have to pay back \$ 559.17 to persons who booked. The BAS for last quarter was \$1811 which is being paid back to us.

7. Ron Gregory reports

The ski week starts on the 23rd of July which is on a Thursday night. Some people stay for 3 nights some stay for 2. The price is the same as last year. We have already sold 50% of the beds, please let me know as soon as possible your intentions.

Rob McKimm and Jim Pennell and myself are organising the Wine and cheese night, which has been set for the 15th of March. The program will be organised soon with Maffra Cheese and the wine society providing a speaker.

The wine society will be bringing quality wine for Liz Watt's needs. Please circulate this event with your friends.
