Chairman: Past President Viv Braham efficiently and effectively chaired the Changeover Dinner, having all formalities concluded by 9.30pm, allowing time for 'post dinner fellowship'. Many thanks Viv for 'a good job well done'.

Changeover Dinner: It was a pleasure to have such a great attendance and to see so many dressed in line with the theme - "Fur or Feathers: Hat or Cravat" and Julie Hollonds, in her very red feathers and jacket, was a worthy winner of a prize for her creative efforts. Music provided by Annabelle Davis, Kevin Hua and Rosemary Iversen, certainly added much to the air of friendship and good fellowship. As usual the necessary speeches were delivered with good spirit and received with good heart. (The PA system adding to the tone!) Thank you President John for a successful year in so many ways. Also the Club is grateful to your "legs" - Past President Michael Page for the support you have given President John this year. You've made a 'formidable team'.

FOR THE GOOD OF ROTARY:

RI Strategic Plan
- Goals and Objectives

Goal 2: Sharpen Program Focus

Objectives

1. Create a process for identifying, developing, implementing and evaluating a consistent multi-year program of service, for endorsement by each COL, and eliminate the annual change of program focus by the President and/Board or RI.
2. Create a program focus that unites clubs in their efforts and provides opportunity, flexibility, and encouragement to individual Rotary Clubs to respond to the needs of their communities.
3. Pursue opportunities for cooperating with other organizations to better achieve our program objectives

CLUB CONGRATULATIONS!

Paul Harris Fellow:

Past President Jim Pennell was presented with a Paul Harris Fellowship acknowledging his considerable, and valuable, service to his community through his involvement with the business and art community and committees in Sale. He has been instrumental in many and varied initiatives which have benefited the whole Sale Community. Thank you for your significant contributions Jim and congratulations for the well deserved award.

It was great that Jim's immediate family and many friends were able to share in the joy and pleasure of witnessing the honouring of a highly civic minded person
