REPORT OF PREVIOUS MEETING:
Thank you to David and Julie Hollonds for hosting our Curry Night. The 27 people who attended had a fantastic night and enjoyed a delightful array of dishes provided by our members, some terrific fellowship and the hospitality of David and Julie in their fabulous outdoor entertainment area. The night was a great success as most people did not start to leave until around 9.30pm. My usual indicator of the success of the evening was judged on the empty wine bottles scattered around the area. As you can imagine there were quite a few with a sprinkling of empty stubbies mixed in. The weather was very kind for us and although the night air was cool, it was nowhere near as cool as what it could have been. David’s patio heater received another good workout with lots of people warming their backsides, and for those who felt the need they were able to go inside the entertainment area where it was nice and warm.

As usual we managed to make a few dollars for the club coffers. We collected \$270 in dinner fees, \$68 over the bar and \$35 in raffle proceeds. I am sure the \$373 raised will be put to good use by the Board. Thank you to Collins Booksellers for donating the majority of our raffle prizes. There were so many prizes that nearly every member took home at least one prize, some with a couple of prizes.

Other people needing to be thanked for the effort they put in to make this night come to fruition are Jim Pennell and our hosts for the effort they went to, to make the evening come together like clockwork.

Members and their partners supplied a lovely array of curries and a very tasty selection of sweets – appreciated by all. The club presented David and Julie with a basket of flowering plants as a token of our appreciation for the use of their facilities. I encourage you all to attend the next Curry Night as you can assured of a very entertaining evening with good company, good food and of course fine wines.
Thank you Past President Shane for this report.

FOR THE GOOD OF ROTARY: BEHIND THE BADGE (Partner) (Report from two weeks ago)

Julie worked for ESSO for 20 years, finally retiring in 2003. During her time there she developed and implemented the electronic software SAP which ran all facets of the business. In the end there were 1200 users relying on Julie’s work. In 1998 Julie retired, only to be called back for a further six years as a consultant.
