- Every effort is made to keep pets safe and happy. However, owners are totally responsible for any costs associated for their pet's care while at Dogwize [Doggie Day Care and Puppy Crèche].
- If a member of staff believes that your pet requires veterinary care, efforts will be made to contact you and your Vet. If this is not possible or practical, Dogwize will engage a veterinarian of their choice to best meet your pet's needs. Owners are liable for all such costs incurred.
- In accordance with licensing requirements, any dog not collected after 48 hours from the scheduled collection time [except where arrangements have been varied with agreement with Lorraine] will be rehoused at the owner's expense.
- Dogwize [A Doggie Day Care and Puppy Crèche Service] has the right to refuse or cancel any pet's enrolment.
- Legislation requires specific approval from each owner for their pet to socialise and mix with other animals. Otherwise the Act states that they must be kept in pens. Dogwize WILL NOT keep dogs in pens. Your signature below approves this socialisation.
- Dogs socialise and adjust without their owners. Please contact Lorraine if you want to visit your dog during working hours.
- In the interests of safety and peaceful play for the dogs, owners will not be admitted to the premises between the hours of 9.30 to 3.30 unless there is prior approval with Lorraine.
