

# J – E – S – U – S

You wanna know the reason that I grin  
You wanna know,  
I want to tell you so  
You wanna know the reason that I sing

OK now, here it is, let's go!

J – E – S – U – S has set me free  
To sing and dance and I can be  
With him through all eternity.  
That's forever and ever with Jesus!
